Watermelon Lemonade

Ingredients

- Crystal Light Natural Lemonade Drink Mix - 6pk (Use 4 packets)
- 2 gallons water
- 2 oz. (by weight) mint
- 2 oz. (by weight) basil OR Thai basil
- 6 cups watermelon spears or chunks
- 2 large jalapenos, sliced 1" (can use more – let sit then adjust)

Directions

1. Fill the dispenser with ice to the top! Best when ice cold.
2. Put the washed herbs into the dispenser and add some water, enough to be able to muddle the herbs a bit with a big spoon.
3. Add the lemonade packets, stir to dissolve, then add the watermelon and jalapeno slices.
4. Let rest for a minimum of three hours to allow the flavors to blend.
